

ASAHI SOGYO Co., Ltd. provides a wide range of products and services for the food industry, including condiment packs, foodservice supplies, and OEM services. We launched Japan's first fish-shaped soy sauce mini pack, "LUNCHARM," and have remained committed to food safety and quality ever since. Working closely with our group companies and partner manufacturers in Japan and overseas, we provide integrated support from product planning to manufacturing for both our own products and OEM solutions. We also offer flexible low-volume OEM production for liquid condiments. In addition, we provide a wide range of hygiene products and food-related materials, all carefully selected to meet our quality standards. With over 65 years of experience, we provide solutions tailored to our customers' diverse needs.
